Thank you for taking the time to help us and others celebrate and learn from your church project.

We have highlighted six key areas but feel free to add further details.

Name:

Website:

Type of project (heating, lighting, biodiversity, waste & recycling, transport, lifestyle, other ..)

Summary of project:

Length of time involved?

Cost plus how did you pay (grants/fundraising/PCC money)?

Impact on sustainability/shrinking your footprint?

Lessons learnt – good and bad?

Any thoughts on how you could have been helped at the beginning of this project? What support/information would you have welcomed and would have benefited you and the success of the project? (nb: not for publication)

Please return by email to: ruth.watkinson@c-of-e.org.uk

Images to accompany the case study should ideally include

- Exterior of church
- The project
- People involved with the project
